**In-Text Citation When Paraphrasing**
The rates of alcohol consumption have increased among Latino adolescents (Johnston, Bachman, & Schulenberg, 2008).

**In-Text Citation When Quoting**
Ford’s films “canonize and conflate masculine values with drinking and …[are] an insidious and ubiquitous influence on American men” (Demetrakopoulos, 1991, p. 225).

**In-text citation of a quote from an online source with organization as author**
Currently, the law in 44 states does not favor gender when considering custody when parents divorce (American Bar Association [ABA], 2007).

**In-text citation of paraphrase from an online source with no author**
Binge drinking, defined as drinking 4 or more beverages per hour, is the most dangerous type of drinking behavior for teens (“Teens and Drinking,” 2013).

**In-text citation of paraphrase from source with 6 or more authors**
One study found that students engaged in campus activities are less likely to engage in binge drinking on campus (Theall et al., 2009).
