In preparation for your attendance at the Eastern Connecticut Symphony Concert on March 21, 2015, please observe the following:

**Concert Etiquette**

- **Be on Time** – Respect to the performers demands that you will be in your seat and ready to listen 5 minutes before the concert begins.
- **Don’t Clap** – Those who are familiar with the music know when to applaud. Wait for their signal to join in. It is rude to clap at a pause in the music.
- **Dress Appropriately** – Nice business attire is fine. No jeans, sweats, etc…
- **Turn off Cell Phones when you enter the theatre. No calls, texting, pictures, talking during the performance.**
- **Do Not Leave Your Seats** except at intermission or the end of the concert unless there is an unavoidable emergency.

Sit back and enjoy the experience of a first class performance. Taking notes during the performance is okay as long as you are quiet about it.
